As a reminder, all businesses with a physical or operating presence within Monee are required to register with the village. Contractors are also required to register and provide a performance bond and proof of insurance. Registered businesses and contractors are listed on our website.

Additionally, as a convenience to you, we have implemented an option for electronic bill pay for your water and residential trash service. While the cost of credit card processing is passed directly to the consumer without any other upcharges, the cost of auto (recurring) payment from your checking account is absorbed by the village.
