

A Word from the Mayor

Monee Residents and Businesses,

Thank you to all who are responding to the COVID-19 pandemic in a cool and calm manner. It is important that we maintain our composure and work together to get through this crisis.

You can rest assured that all Village of Monee departments are coordinating and working together to maintain municipal services in a manner which protects our residents, businesses and our municipal employees. All departments will continue operations during this situation.

A few things to remember to help us through...

- ✚ Stay at home! Do not go out in the public unnecessarily
- ✚ Only dial 9-1-1 in an Emergency
- ✚ If you are feeling ill, CALL your physician first, they will provide instructions
- ✚ Let's watch out for one another
- ✚ Check the Village Website for information

As Judy and I continue to self-quarantine, I want you to know that I am in communication with the village administration several times during the day and keeping abreast of the conditions in the village. The Village of Monee together, is a strong community and we will come through this crisis stronger than ever.

I look forward to the time I am able to greet you personally.

James F. Popp, Mayor
