

VILLAGE of MONEE  
Will County Illinois

*Dr. Therese M. Bogs, Mayor*

*Doneshia Codjoe, Clerk*

Dear Village of Monee Resident,

The Village of Monee Administration realizes that the past year has been difficult. During that time, the Village put a hold on any water shut-offs for people who have fallen behind on their payments for water and sewer service. Unfortunately, the Village must now resume collection of unpaid bills for these services, including resuming disconnection for any delinquent accounts.

The Village will be offering payment plan options for those who can provide documentation that supports their request for a payment plan. Please mark the option box that allows you to pay your balance and monthly bill, and return via mail, **before November 5<sup>th</sup>**, to avoid shut-off of your water service.

I am able to pay future water bills in full by the due date and make installment payments on my past due balance over the next 12 months.

I am able to pay future water bills in full by the due date. I would like to pay 25% of my past due balance and pay the remainder the next 6 months.

I am able to pay future water bills in full by the due date. I would like to pay 50% of my balance due and pay my past due balance over the next 6 months.

\*If you are not able to meet any of the above payment options, **please call 708-534-1045 BEFORE November 5, 2021** to schedule an appointment to meet with a Village Representative to discuss your options.
